Redmond, Ore., (Oct. 16, 2019) — Soul Community Planet (SCP) today announced the appointment of Tobias Colvin as SCP Redmond’s new general manager, effective immediately. With more than 19 years of luxury hospitality management experience in city hotel and resort operations, Colvin will be responsible for the day-to-day operations of the newly-renovated 49-room SCP Redmond.

“We welcome Tobias to our SCP family. Aside from sharing SCP’s holistic hospitality values, Tobias has the leadership skills to help make SCP Redmond a great success,” said Soul Community Planet Co-Founder and CEO Ken Cruse. “Tobias brings a diversity of life experiences, a love for the outdoors, and, following management roles with top-rated hotel properties such as the Ritz-Carlton Club in Aspen, an exceptional hospitality resume.”

Prior to joining SCP, Colvin had a senior leadership role at the Black Butte Ranch in Sisters, Ore., where his achievements included running “The Central Oregon Shootout,” the largest golf tournament in Central Oregon. He has also held positions as director of catering and conference management at the Loews Atlanta Hotel in Atlanta, Ga., director of events at Chateau Elan Winery & Resort in Braselton, Ga., director of meetings and events at The Ballantyne Hotel & Lodge in Charlotte, N.C., and club manager at The Ritz-Carlton Club Aspen Highlands in Aspen, Colo. He graduated from Colorado State University in Fort Collins, Colo., with a B.S. in Natural Resources Management.

“I’m thrilled to be joining the historic SCP Redmond as general manager just as it gets ready to open its doors,” said Colvin. “I’ll be working hard to make sure we provide excellent service for our guests so they have wonderful memories of their stay.”
